Khammam and others.

...Respondents

**THE HON'BLE SRI JUSTICE C.V.RAMULU**

W.P.No.25500 of 2006

ORDER:

This writ petition is filed seeking a Mandamus to declare the proceedings (Minutes) dated 23.11.2006 issued by the 4th respondent dated 23.11.2006 as arbitrary and illegal.

It appears that under the impugned proceedings (Minutes) of the 4th respondent, the Primary Agricultural Co-operative Society (PACS) Chennaram has passed a resolution suspending the petitioner from service and sending the resolution to the authorities for conducting further enquiry into the matter. Aggrieved by the same, the present writ petition is filed.

Learned counsel for the respondents vehemently opposed and contended that the

writ petition is not maintainable in this shape.

I am in full agreement with the contention made by the learned counsel for the respondents, no writ petition which deals with the service conditions of the employees of Primary Agricultural Co-operative Society is maintainable since their services are not governed by any statutory rules.

However, the learned counsel for the petitioner states that once the resolution is sent to the authorities for ratification as well as for further enquiry into the matter, it is obligatory on the part of the 1st respondent to complete the enquiry within a reasonable time by getting necessary information from the society.

In view of the above, without expressing any opinion on merits, the 1st respondent is directed to complete the enquiry as per the resolution dated 23.11.2006 and pass appropriate orders within a period of four weeks from the date of receipt of a copy of this

order.

Writ petition is disposed of accordingly. No costs.
